ER-260EJ / ER-265EJ
Electronic Journal ECRs®

Universal Retail Systems
Time Tested POS Solutions

Commercial Grade ECRs

These budget friendly, powerful electronic cash registers meet the needs of many merchants by providing big system features in a compact package. Choose from the ER-260EJ raised keyboard or ER-265EJ flat keyboard style. Each stores detailed sales journal data so it can be printed on demand in a variety of formats, conveniently saved locally to an SD card or USB drive or exported to a connected PC.

- Supports Semi-Integrated Electronic Payments for EMV Credit, Debit, Gift Card and EBT Transactions

▼ SAM4s ER-260

Save programs and reports with an SD memory card or USB stick

▼ SAM4s ER-265 EJ

SAM4s ER-265EJ is Great For Food Service

Applications

Cafeterias, Quick Service, Concessions, Ice Cream / Frozen Yogurt Stands, Hamburger, Sandwich, Pizza, Coffee, Bakery, Deli's, Bars

The flat, **spill-resistant** keyboard is perfect for harsh food service environments. Using the programmable key locations for preset PLUs will facilitate fast and accurate registration.

The ER-265EJ supports two menu levels. Where menus change during the day, the key-sheet under the overlay is easily exchanged.

SAM4s ER-260EJ is Great For Retail Merchants

Applications

Retail, Gift Shops, Convenience Stores, Beer/Wine/Liquor, Specialty Food, Produce, Meat, Main Street Merchants

The traditional raised-key keyboard provides 15 keyboard PLU keys. Keyboard PLUs act like traditional departments for open-priced entries or can be set as preset price keys.

Large key size ensures easy-to-read key labels. Merchants who wish to scan can build their PLU file on the fly using the not-found PLU registration feature.

Security and Management Control

Transaction voids, reporting and programming functions are restricted by manager's key lock control. Programmable options let you enforce the appropriate level of security for your business. Among many options, you can control coupons, discounts, voids, refunds, cancels and negative sales. Plus, the ER-260EJ and ER-265EJ provide strict cash control with enforced closed drawer and an open drawer alarm.
